EDITOR'S MESSAGE

As we began planning for your yearbook we found ourselves with the responsibility of finding a theme that best told the story of our class. Many sayings and ideas passed through our minds, but none of them seemed to say exactly what we wanted to say. We thought about our years at Hamilton, and of all the good times we had and the friendship we shared.

WE CAME, WE SAW, WE CONQUERED! That was it; these few words described perfectly not only our years, but every class' years at Hamilton.

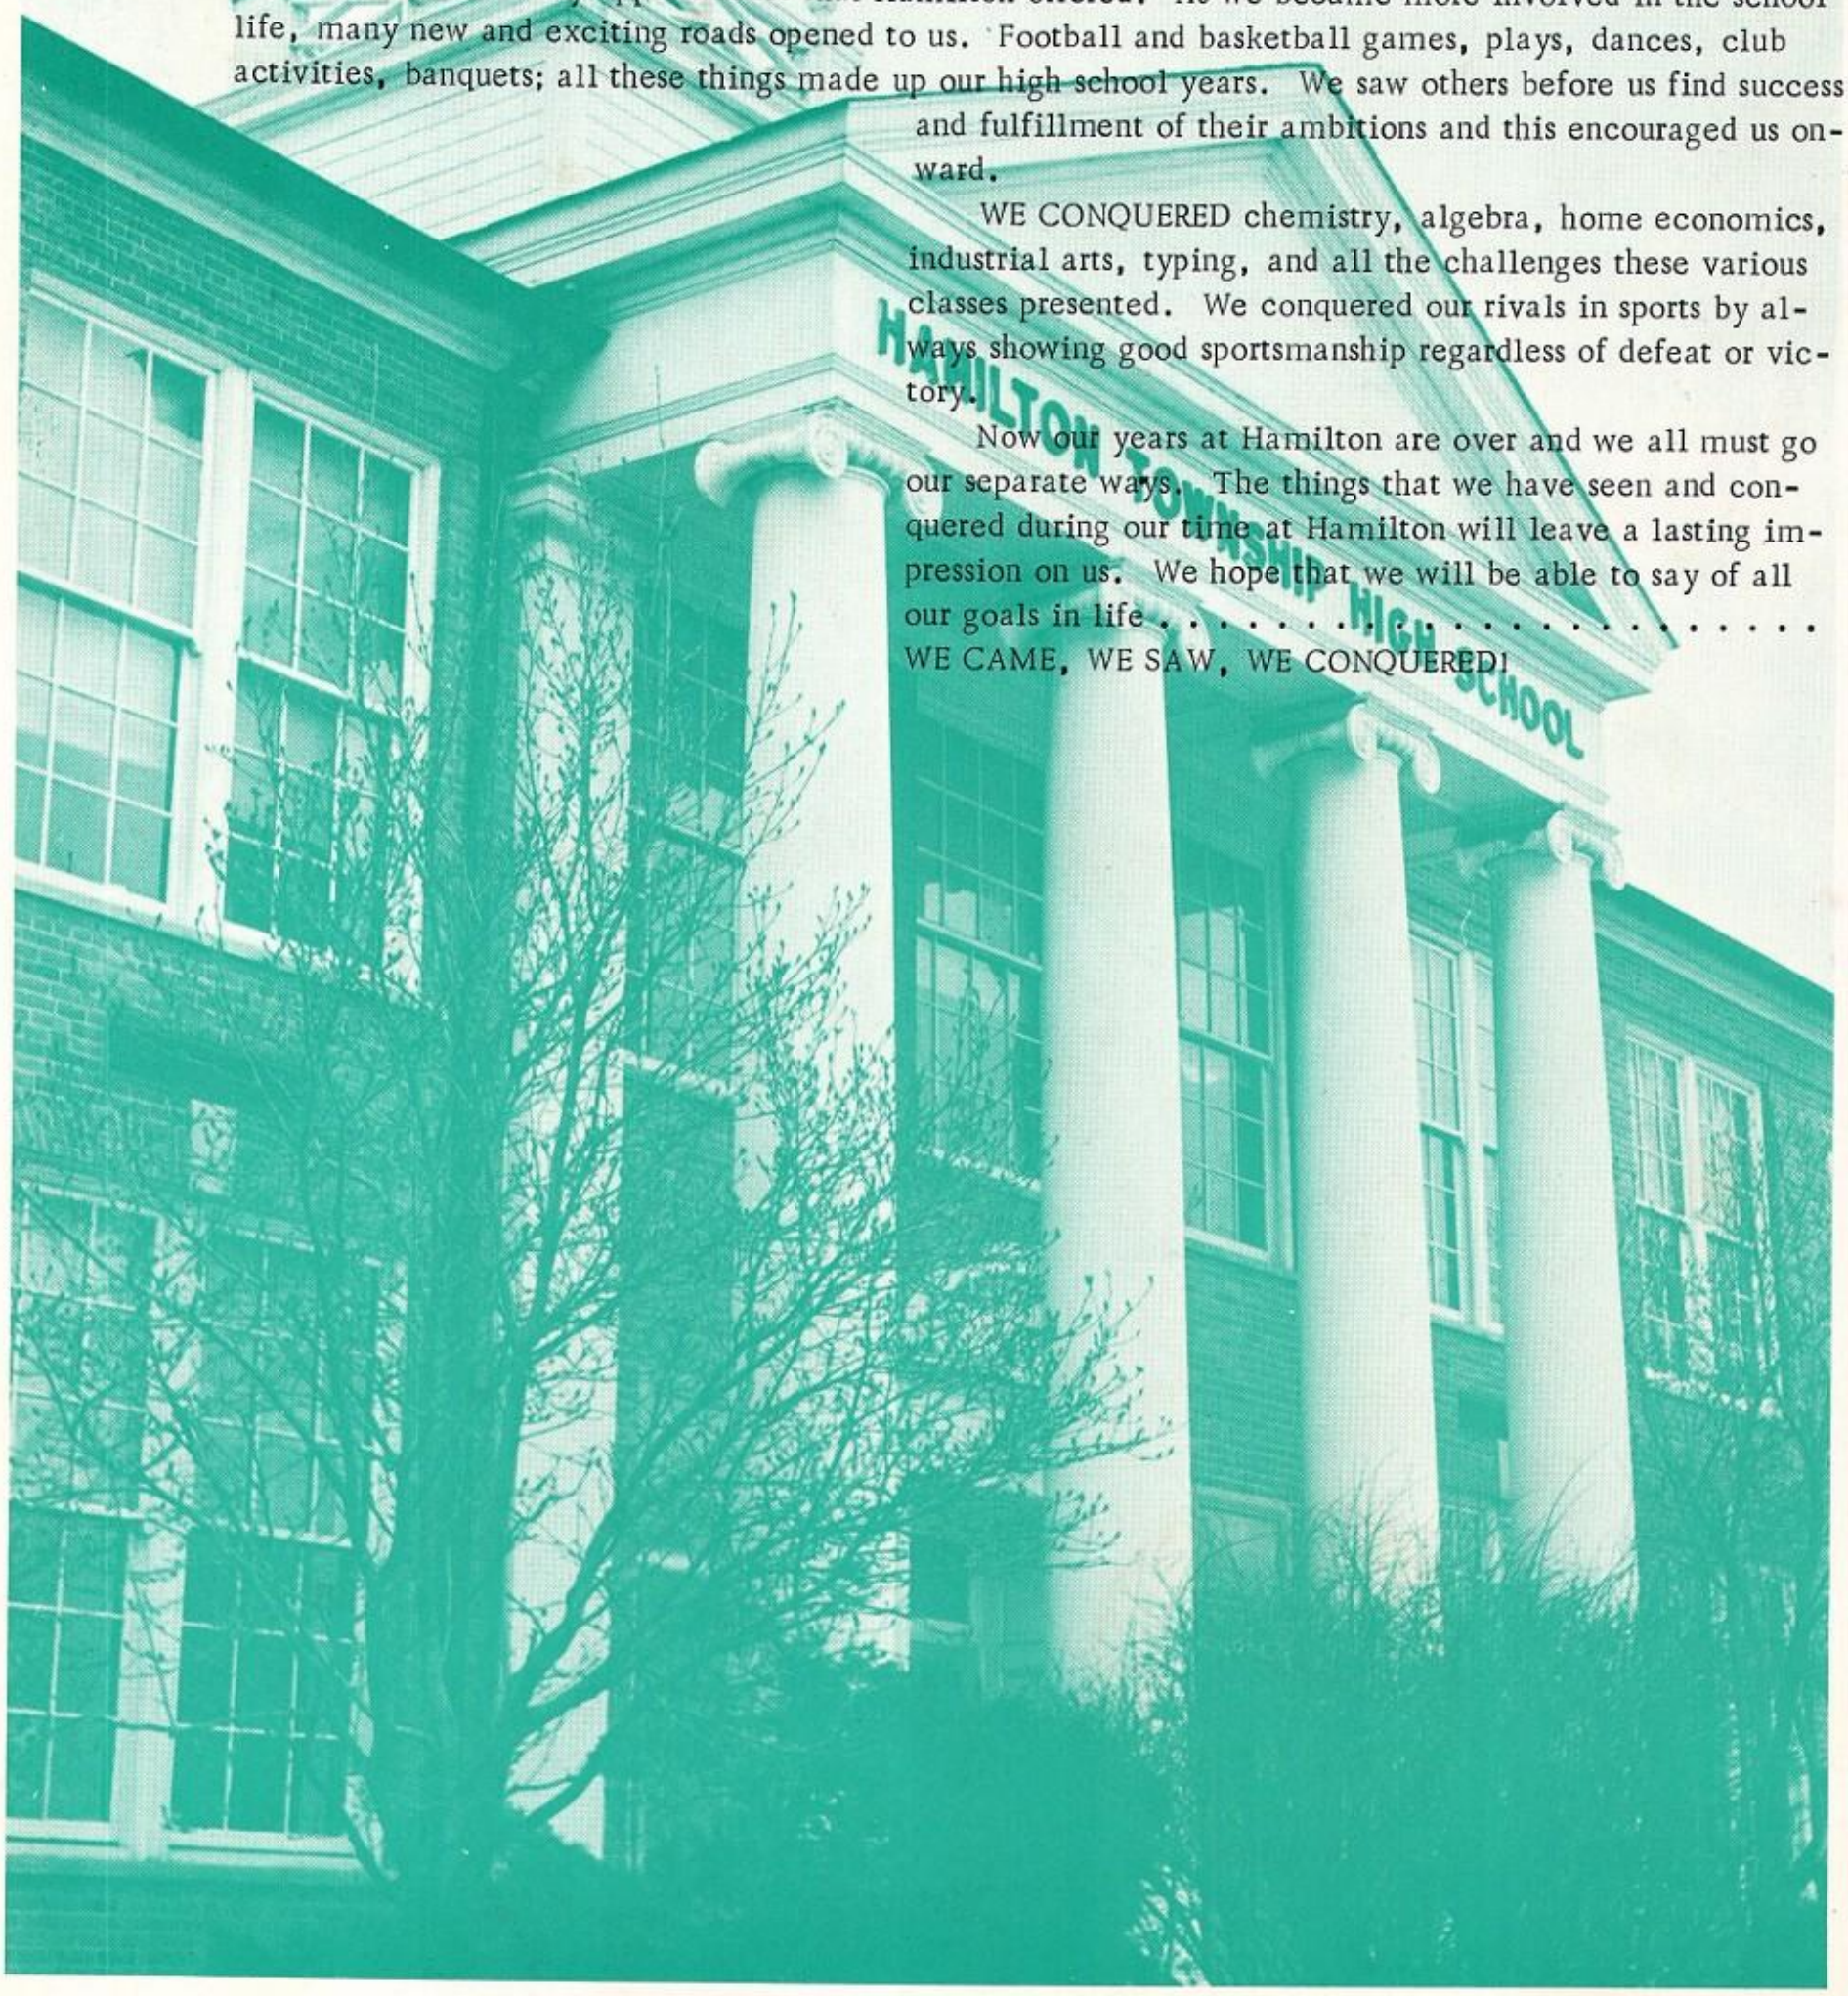
WE CAME to Hamilton as seventh graders. We were all eager to enter into the school life, but we knew that there were many adjustments to be made. We were all a little shy and backward, but slowly we started to mix and make new friends.

WE SAW the many opportunities that Hamilton offered. As we became more involved in the school life, many new and exciting roads opened to us. Football and basketball games, plays, dances, club activities, banquets; all these things made up our high school years. We saw others before us find success and fulfillment of their ambitions and this encouraged us onward.

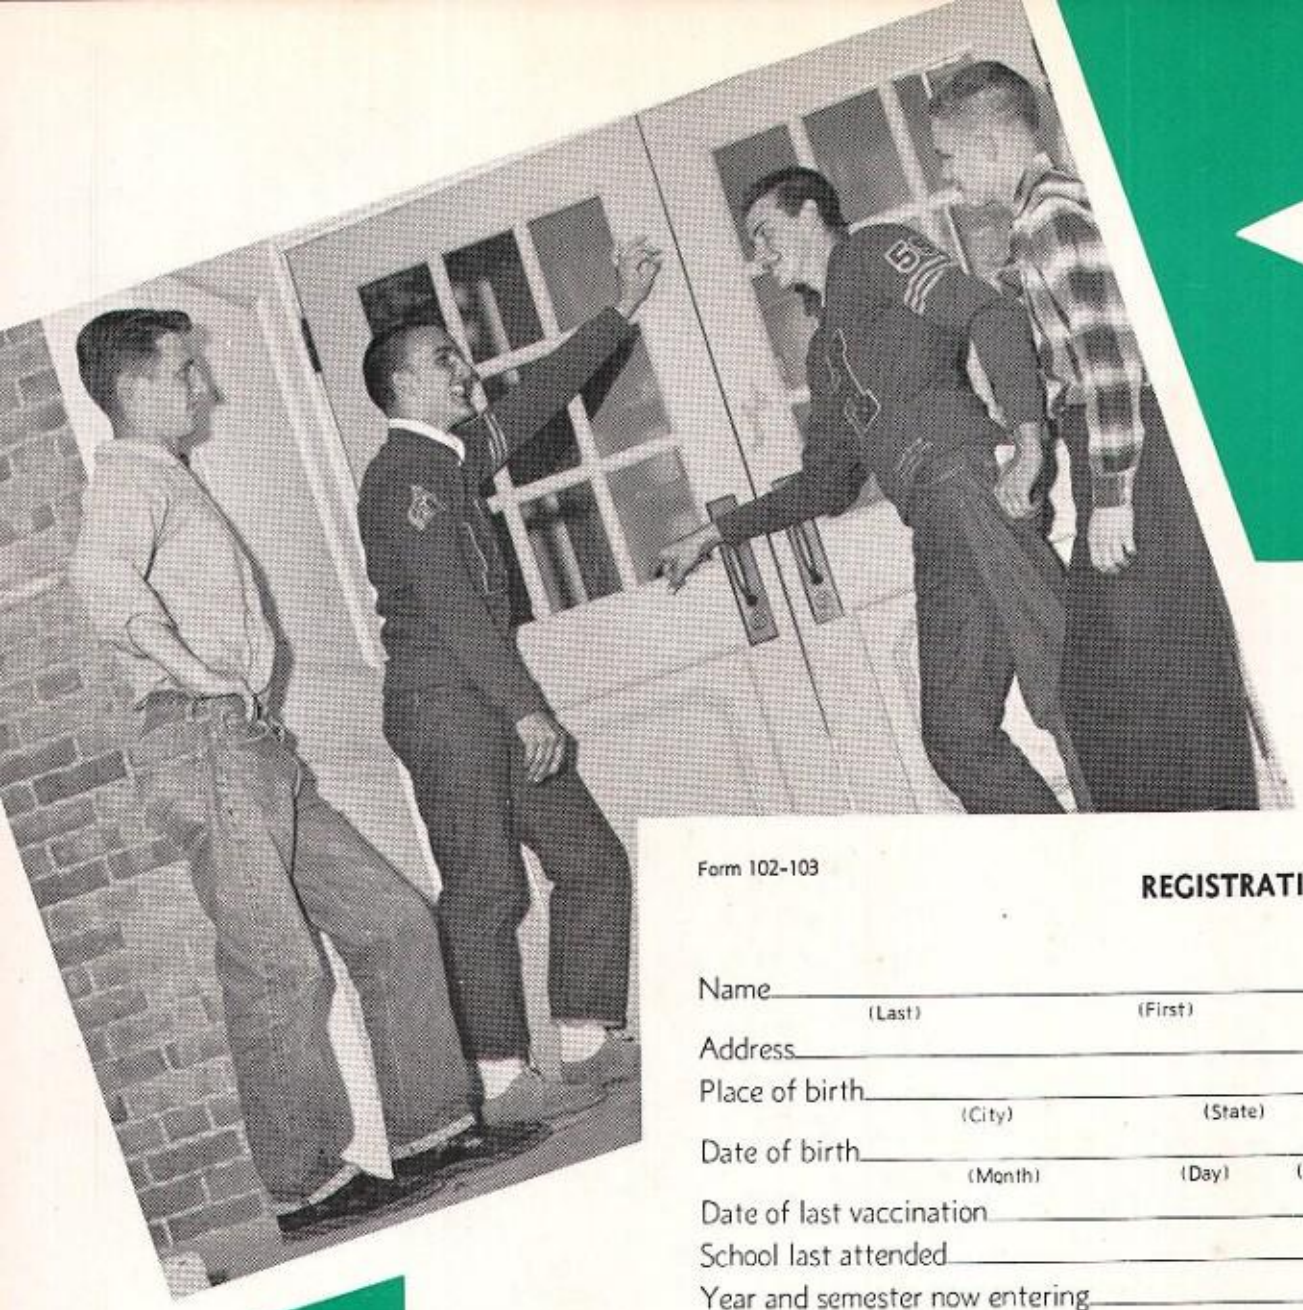
WE CONQUERED chemistry, algebra, home economics, industrial arts, typing, and all the challenges these various classes presented. We conquered our rivals in sports by always showing good sportsmanship regardless of defeat or victory.

Now our years at Hamilton are over and we all must go our separate ways. The things that we have seen and conquered during our time at Hamilton will leave a lasting impression on us. We hope that we will be able to say of all our goals in life . . . . . .

WE CAME, WE SAW, WE CONQUERED!



WE CAME



September 2, we waited anxiously for the door to open to start the new year . . . .

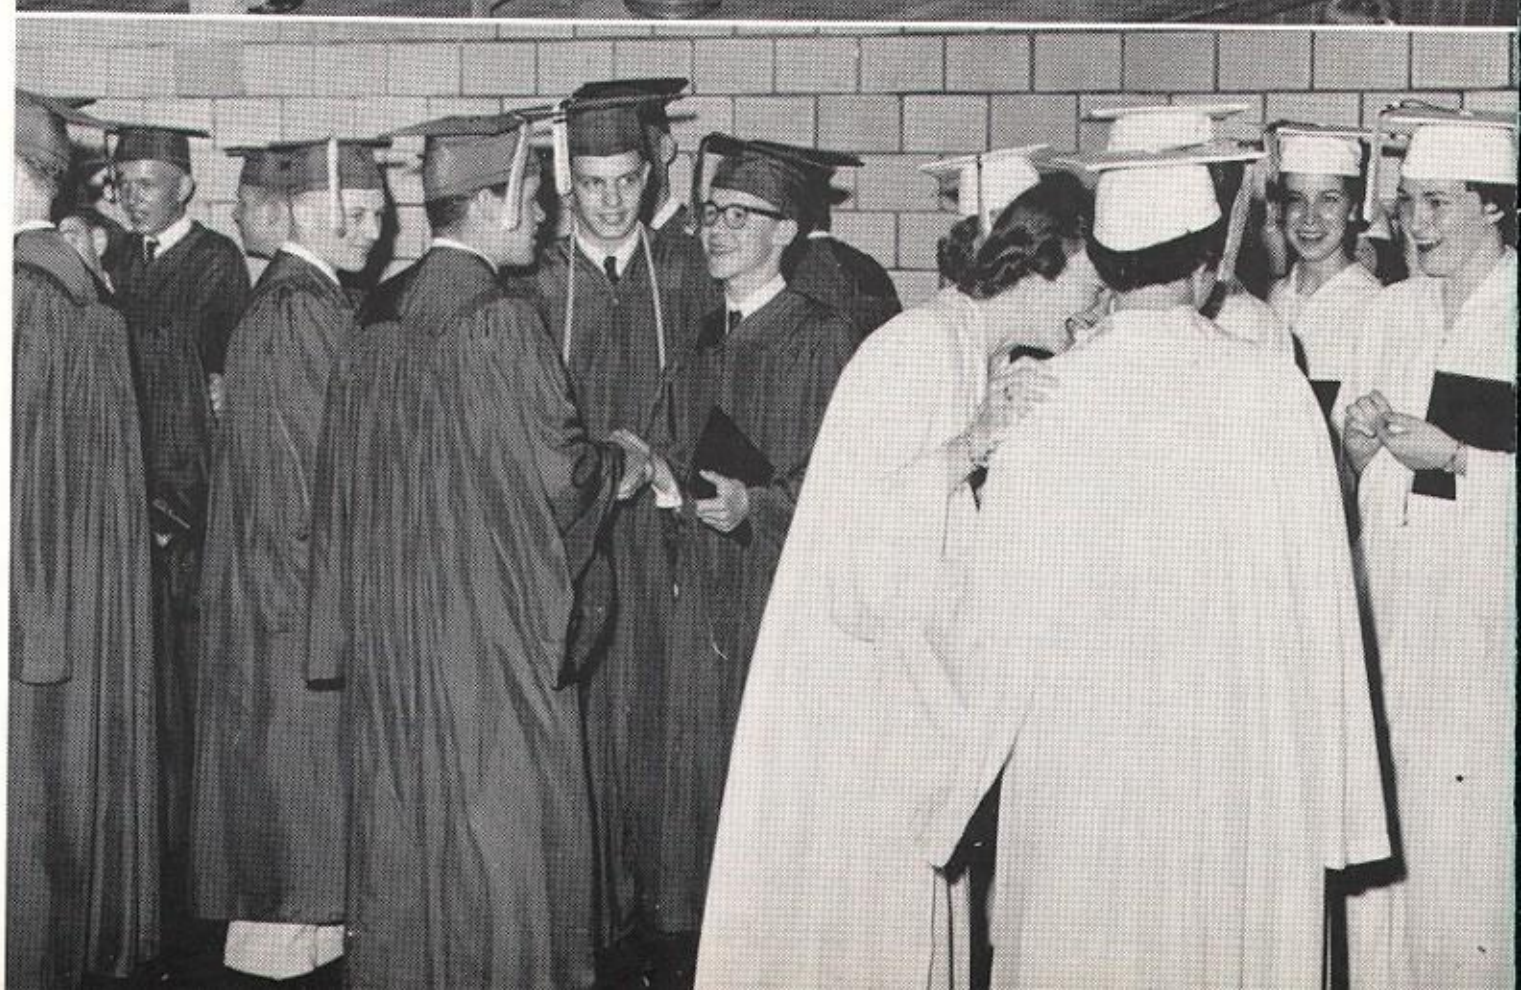
ADVERTISEMENTS

All eyes are on the stage, a hush falls over the audience, as the Seniors sing their parting song "You'll Never Walk Alone."

Its almost time for the big moment as graduates wait solemnly for their diplomas.

Realizing that this is the last time they'll be together for a long time, they review the past and look to the future.



CLIMAXING OUR FOUR YEARS OF HIGH SCHOOL LIFE. . .COMMENCEMENT

Hamilton Township High School

Commencement Exercises

Tuesday evening, May twenty-sixth

Nineteen hundred and fifty-nine

at eight o'clock

High School Auditorium

The event that climaxed four years of hard work, fun and excitement was graduation. Until the last few months of our senior year, everyone was counting the days. This attitude changed completely, however, during those last days when graduation was becoming a reality.

With the arrival of the long-awaited night came tenseness and excitement. As we marched up to the platform, we caught glimpses of our family and friends watching us with pride. Feeling strangely dignified in our blue and white caps and gowns, we accepted the diploma we had looked forward to for so long, then shook hands with Mr. Peters.

Dear Diary,

"... a corsage, a new and off to the dance. that once in a life nothing like

WITH AUTUM

Under the direction of four good coaches, the Rangers left an average season's record behind them. At the beginning everyone was a bit apprehensive about the team's inexperience; however, this fear was dispelled after the first couple of games.

The backfield was one of the best all round, showing speed and agility. They certainly gave the fans many thrilling runs and exciting moments.

The seniors will be leaving their record in good hands for the underclassmen show lots of promise for 1959.

These girls cheered faithfully at every game. They developed confidence, poise and leadership. These will prove valuable in the years to come.

JUNIOR HIGH CHEERLEADERS

RANGERS GO! GO!

The '58-'59 edition of HTHS basketball team found the going rough. Led by Coach Hamric, the Rangers appeared to have prospects of a great season. Though they had a few, but well fought defeats, the season offered many thrills to the loyal fans.

Highlights of the Season: our exciting victory over University, 63-59; a heartbreaking defeat to Darby Township, 60-59, in the last second of the game; a new record set as we beat Groveport 100-61, (by doing this we won back the traditional tea pot), a sorry defeat to Roasary in the last minute and half.

ANNUAL STAFF

1st Row, Seated, left to right: Will Bruce, John Tilley, Norma Nance (Co-Editor), Mrs. Wolford, Advisor, Nancy Potts (Co-Editor), Florence Hunt. 2nd Row, Standing: Russ Holmes, John Jones, Bill Moore, Ann Burkett, Daryl Hoffman, Bob Lawhaun, Patty Angel, Ed Derby, Elaine Urdak.

The final page in the 1959 Hamiltonian seems to be the appropriate place for acknowledgements to those who helped make this yearbook possible. Our thanks go to Mrs. Wolford who as sponsor guided the staff and contributed to the book, to Van Ramsey Studios who did the photography, and all those who showed their faith in us by buying ads.

This year our goal was to make the Hamiltonian an even better book than any in previous years. We wanted to include spring activities and commencement along with all the things that best tell the story of H.T.H.S. faculty and students. This meant many changes and different ideas. We know we cannot please everyone, but the staff has striven to create what we think is a yearbook best representing Hamilton.
